22 JUL 1969

MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Midcareerist Follow-up

REFERENCE : DD/S 69-2849 dtd 20 June 1969; same subject

1. This memorandum is for your information only.
2. In compliance with reference, an examination has been made of the Office of Security Midcareerists who have attended previous Midcareer Executive Development Courses. The results of this examination are indicated in attached resume sheets which have been prepared for each Midcareerist concerned.
3. Of the twenty-five (25) Office of Security Midcareerists who have attended previous Midcareer Executive Development Courses, two are deceased, leaving twenty-three (23) presently assigned to the Office of Security. A review of the past and present performance of the twenty-three Midcareerists reveals that only four of them are not considered as officers of GS-15 potential at this time.
4. It may be of interest to point out that in considering candidates to fill Office of Security positions at the GS-13 and 14 grade levels, as well as candidates for external training courses, it is the policy of our Career Service Board to first review our list of Midcareerists before proposed assignments are recommended by the Board to the Head of the Security Career Service. Also, our Midcareerists and especially those who have attended the Midcareer Executive Development Course, are considered when the promotion progress of our professional personnel at the GS-13 level is reviewed by the Security Career Service Board to designate "comers" for early promotion consideration.
